

Two Gauge High Pressure POL Regulator

HW601-LPG

Application:

Suitable for small industry applications e.g. welding

Specifications:

- Inlet Size: POL
- Outlet Size: 5/8" UNF LH
- Inlet Pressure: 0-400 kPa
- Outlet Pressure: 0-25 kPa

Features:

- Built-in relief
- Clear colour coding
- Easy to read metal cased gauges

Where would we be without Gas?
